

Santiphab Xonelothxath

STRENGTHS

-  **Analytical Thinking**
Strong ability to analyze complex problems and develop innovative solutions.
-  **Technical Proficiency**
Expertise in multiple programming languages and frameworks, ensuring versatility in development tasks.
-  **Adaptability**
Quick to learn new technologies and adapt to changing project requirements.
-  **Attention to Detail**
Meticulous approach to coding and testing, ensuring high-quality deliverables.
-  **Effective Communication**
Clear and concise communication skills, facilitating smooth interactions with team members and stakeholders.

SKILLS

Programming Languages

Golang - Java - Dart - Javascript -
TypeScript

Frameworks

Spring Boot - Flutter - React -
Node Express

Tools & Technologies

REST APIs - MySQL - GORM - Data JPA -
Prisma - Flutter Provider - Fiber

Version Control

Git
